

Dear Human Resource Department,

Please find in the enclosed resume how your needs match my experience over the last 15 years. As you will notice, I have been responsible for the safe and efficient execution of maintenance work on over 1000 natural gas wells, supervising the field-men, assuring the most production for our company. I have worked closely with other supervisors, engineers, craftsmen, contractor personnel, and field men to ensure the highest production.

I am a dedicated worker, always seeking what is best for my employer. Please see in the attached resume how closely my experience and skill line up with the Rotating Equipment Supervisor position and call at your earliest convenience to schedule an interview.

Thank you for your time and consideration,

Darin Johnson
